MAKING THE BLOCKS

Use a 1/4" seam allowance throughout. The blocks are made of two colour combinations – a print fabric and one of the shot cottons. To make the E blocks, alternate the 3 print 2 1/2" x 8 1/2" strips with 2 shot cotton 2 1/2" x 8 1/2" strips. The print strip 2 1/2" x 10 1/2" is sewn to the left side of the above strip section to form the letter "E".

Use SC-20 with the following prints:

Grey STRIPES, Brown FLORA, Brown BONES, Grey SCALES, Charcoal SPLASH

Use SC-06 with the following prints:

Pink FLORA, Blue SCALES, Pink STRIPES, Brown SCALES, Lime STRIPES, Yellow BONES

MAKING THE QUILT:

Lay out the blocks by following the colour photograph of the quilt. There will be 5 rows of blocks with 5 blocks each. Lay the E blocks out according to colours and the direction of the blocks.

Add the borders from Brown BONES, adding the cornerstones of Pink FLORA.
